BOSS FIGHT

Goals

- Objectives must be completed in the following order
- 1. Collect all objectives

Kill the green and blue necromancer

Kill the monster

- 2.Destroy all spawns
- 3. At least one player must be in red the others in orange

Special rules

- Survivor scores 5 hp points for each objective .
- When destroying and spawning you roll and die (1-3 hit, 4-6 miss)
- The monster can don't believe disappear (it always spawns on center when killed)
- Necromancer spawns work like normal spawns on necromancers, except there are no zombies to spawn
- Blue and green doors can only be opened after killing two necromancers
- Necromancer cannot spawn naturally (or remove their cards from the zombie card deck)
- When a blue/green target is picked up, the blue/green necromancer in that necromancer spawn will automatically spawn (the necromancer goes to that colored zombie spawn)
- Each boss (monster and necromancer) have double life and damage
